SACHI A. HAMAI
EXECUTIVE OFFICER

ISSUANCE AND SALE OF PASADENA UNIFIED SCHOOL DISTRICT GENERAL OBLIGATION BONDS, 2008 ELECTION, SERIES 2012 (FIFTH DISTRICT) (3 VOTES)

SUBJECT

The governing board of the Pasadena Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$125,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements for various school facilities. The repayment of the bonds will be funded from ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing the issuance and sale of the Pasadena Unified School District (Los Angeles County, California) General Obligation Bonds, 2008 Election, Series 2012, in a principal amount not to exceed \$125,000,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On November 4, 2008, voters residing in the District approved a ballot measure authorizing the District to issue up to \$350,000,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on April 24, 2012, and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$125,000,000 to be used for authorized purposes. This will be the third issuance of bonds authorized under this ballot proposition.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is

responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #2: Fiscal Sustainability through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits established by law. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected RBC Capital Markets as underwriter, and the firm of Stradling, Yocca, Carlson & Rauth as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

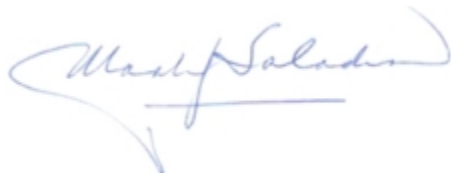

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

WHEREAS, a duly called special municipal election was held in the Pasadena Unified School District (the “District”), Los Angeles County (the “County”), State of California, on November 4, 2008 (the “Election”) and thereafter canvassed pursuant to law;

WHEREAS, at such election there was submitted to and approved by the requisite fifty-five percent vote of the qualified electors of the District a question as to the issuance and sale of general obligation bonds of the District for various purposes set forth in the ballot submitted to the voters, in the maximum principal amount not to exceed \$350,000,000, payable from the levy of an *ad valorem* tax against the taxable property in the District (the “Authorization”); and

WHEREAS, on September 17, 2009, the County issued on behalf of the District the first series of bonds under the Authorization in the aggregate principal amount of \$40,320,00 and designated as “Pasadena Unified School District (Los Angeles County, California) 2009 General Obligation Bonds (Election of 2008) Series 2009A-1 (Tax-Exempt) (the “Series 2009A-1 Bonds”); and

WHEREAS, concurrently with the issuance of the Series 2009A-1 Bonds, the County issued on behalf of the District the second series of bonds under the Authorization in the aggregate principal amount of \$84,680,000 and designated as “Pasadena Unified School District (Los Angeles County, California) 2009 General Obligation Bonds (Election of 2008) Series 2009A-2 (Federally Taxable Build America Bonds)” (the “Series 2009A-2 Bonds”); and

WHEREAS, the Board of Supervisors of the County (the “County Board”) has received a resolution (the “District Resolution”) of the Board of Education (the “District Board”) requesting the County Board to issue on the District’s behalf the third series of bonds under the Authorization in an aggregate principal amount of not-to-exceed \$125,000,000 (the “Bonds”) and designated as “Pasadena Unified School District (Los Angeles County, California) 2008 Election General Obligation Bonds, Series 2012” or such other designation or designations as are specified in the Purchase Contract (defined herein) for the Bonds; and

WHEREAS, pursuant to Chapter 1.5 of Part 10 of Division 1 of title 1 of the California Education Code, commencing with Section 15264 *et seq.* (the “Act”), the Bonds are authorized to be issued for the purposes set forth in the ballot submitted to voters; and

WHEREAS, the Bonds are authorized to be issued in one or more series of Tax-Exempt Bonds or Taxable Bonds and as any combination of Current Interest Bonds, Capital Appreciation Bonds, and Convertible Capital Appreciation Bonds, all as defined herein; and

WHEREAS, the District Board has authorized the sale of the Bonds at a negotiated sale, which the District Board has determined provides more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for RBC Capital Markets, LLC (the “Underwriter”) to pre-market the Bonds to potential purchasers prior to the sale, all of which the

District Board has determined will contribute to the District's goal of achieving the lowest overall cost of funds; and

WHEREAS, the District Board has estimated that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs which the Underwriter agree to pay pursuant to the Purchase Contract (defined herein), will equal approximately 0.55% of the principal amount of the Bonds; and

WHEREAS, the District Board has appointed Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California as Bond Counsel and Disclosure Counsel in connection with the issuance of the Bonds; and

WHEREAS, the District Board has appointed RBC Capital Markets, LLC, Los Angeles, California, as Underwriter in connection with the issuance of the Bonds; and

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including this proposed issue of Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES, CALIFORNIA, AS FOLLOWS:

The Bonds shall be issued as Bonds registered as to both principal and interest, in the following denominations: (i) with respect to the Current Interest Bonds, \$5,000 Principal Amount or any integral multiple thereof, (ii) with respect to the Capital Appreciation Bonds, \$5,000 Maturity Value, or any integral multiple thereof, and (iii) with respect to Convertible Capital Appreciation Bonds, \$5,000 Conversion Value or any integral multiple thereof. The Bonds shall bear or accrete interest at a rate or rates such that the interest rate shall not exceed that permitted by law.

Each Current Interest Bond shall be dated their date of delivery (the “Dated Date”), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before first Record Date, in which event it shall bear interest from its Dated Date. Interest shall be payable on the respective Bond Payment Dates and shall be calculated on the basis of a 360-day year of twelve, 30-day months.

The Capital Appreciation Bonds shall mature in the years, shall be issued in aggregate Principal Amounts, shall have Accretion Rates and shall have denominational amounts per each \$5,000 in Maturity Value as shown in the Accreted Value Table attached to the Purchase Contract. The Convertible Capital Appreciation Bonds shall mature in the years, shall be issued in the aggregate Principal Amounts, shall have Accretion Rates and shall have denominational amounts per each \$5,000 in Conversion Value as shown in such Accreted Value Table; provided, that in the event that the amount shown in such Accreted Value Table and the Accreted Value caused to be calculated by the District and approved by the Bond Insurer, if any, by application of the definition of Accreted Value set forth in Section 4 differ, the latter amount shall be the Accreted Value of such Capital Appreciation Bond or Convertible Capital Appreciation Bond, as applicable.

The Convertible Capital Appreciation Bonds shall convert to Current Interest Bonds on the Conversion Date. From and after the Conversion Date, the Convertible Capital Appreciation Bonds

(b) Redemption.

(i) Optional Redemption. The Bonds shall be subject to optional redemption prior to maturity as provided in the Purchase Contract.

(ii) Mandatory Redemption. Any Bonds sold as Term Bonds shall be subject to mandatory redemption as provided in the Purchase Contract.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent identified below, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that (A) the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof, (B) the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value thereof, (C) and the portion of any Convertible Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Conversion Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to this Resolution, the Paying Agent, upon written instruction from the District, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice may be conditioned on the receipt of monies sufficient to pay the Principal, Maturity Value or Conversion Value of, and interest due on, such bonds on the date set for redemption. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount, Conversion Value or Accreted Value of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the bond register.

(b) At least 30 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Securities Depository.

(c) At least 30 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive or failure to publish any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

With respect to any Redemption Notice of the Bonds pursuant to Section 6(b)(iv) hereof, unless upon the giving of such notice such bonds shall be deemed to have been defeased pursuant to Section 17 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the Paying Agent (or an independent escrow agent selected by the District) on or prior to the date fixed for such redemption of the moneys necessary and sufficient to pay the principal of, and premium, if any, and interest on, such bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, the Bonds shall not be subject to redemption on such date and the Bonds shall not be required to be redeemed on such date. In the event that such Redemption Notice contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, to the persons to whom and in the manner in which the Redemption Notice was given, that such moneys were not so received.

The District shall have the right to rescind any Redemption Notice, by written notice to the Paying Agent on or prior to the date fixed for redemption. Any such Redemption Notice shall be rescinded if for any reason available monies are not (or will not be) available on the date fixed for redemption for the payment in full of principal, Maturity Value or Conversion Value of, and interest due on, the Bonds then called for redemption. The Paying Agent shall mail notice of rescission of such Redemption Notice in the same manner that the Redemption Notice was originally provided.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside pursuant to Section 17 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b)(i) and (ii) hereof, together with interest accrued to such redemption date,

shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the bond register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the bond register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, principal, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the bond register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Accreted Value or principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the bond register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy

and discharge the District's obligations with respect to payment of Accreted Value or principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the bond register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the bond register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such bond register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments with respect to Accreted Value or principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in this Resolution as may be modified by the Purchase Contract. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(3), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value, Conversion Value or principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value, Conversion Value or principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to

the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the owners of the Bonds.

SECTION 6. Execution of Bonds. The Bonds shall be executed by the Chair of the County Board and the Treasurer by their manual or facsimile signatures and countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the County Board, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 7. Paying Agent; Transfer and Exchange. This County Board does hereby appoint the Treasurer to act as the Paying Agent for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution.

So long as any of the Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the bond register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the bond register only upon presentation and surrender of the Bond at the principal office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent, the County and the District satisfactory to the Paying Agent shall be given by the owner, the County, at the expense of the Bond owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of

issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Paying Agent.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. As requested by the County, written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Paying Agent. The cancelled Bonds shall be retained for two years, then destroyed by the Paying Agent.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15th day of the month next preceding any Bond Payment Date or the 15th day preceding any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 8. Payment. Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer or check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount, Conversion Value or Maturity Value of One Million Dollars (\$1,000,000) or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal, and redemption premiums, if any, payable on the Current Interest Bonds, the Accreted Value and redemption premiums, if any, payable on the Capital Appreciation Bonds and the Conversion Value and redemption premiums, if any, payable on the Convertible Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Paying Agent. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District and do not constitute an obligation of the County except as provided in this Bond Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

SECTION 9. Form of Bonds. The Bonds shall be in substantially the following form, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution and the Purchase Contract.

SECTION 10. Delivery of Bonds. The proper officials of the County shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered to the original purchaser upon payment of the purchase price therefor.

SECTION 11. Deposit of Proceeds of Bonds. (a) A portion of the proceeds from the sale of the Bonds, to the extent of the Principal Amount thereof, shall be paid to the County to the credit of fund of the District known as the "Pasadena Unified School District 2008 Election General Obligation Bonds, Series 2012 Debt Service Fund" (the "Debt Service Fund"), which fund is required to be kept separate and distinct from all other District and County funds. The balance of the proceeds from the sale of the Bonds net of the deposit to the Debt Service Fund, shall be paid to the County to the credit of the fund hereby created and established and to be known as the "Pasadena Unified School District, 2008 Election General Obligation Bonds Series 2012 Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes of the Election. At the County's election, the Building Fund may contain sub-accounts to the extent the Bonds are issued in more than one series of bonds. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. The accrued interest and any premium received by the District from the sale of the Bonds shall also be deposited in the Debt Service Fund and used only for payment of Accreted Value, Conversion Value or Principal of and interest on the Bonds. Interest earnings on moneys held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued, at the written direction of the District, shall be applied to the payment of Accreted Value, Conversion Value or Principal of and interest on the Bonds, subject to any conditions set forth in the Tax Certificate. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District.

The costs of issuance of the Bonds are hereby authorized to be paid either from premium withheld by the Underwriter upon the sale of the Bonds, or from proceeds of the Bonds. To the extent costs of issuance are paid from such proceeds, the County, at the direction of the District, may cause a portion of the proceeds of the Bonds, in lieu of being deposited into the Building Fund, to be deposited in a costs of issuance account to be held by a fiscal agent of the District appointed for such purpose.

(b) Moneys in the Debt Service Fund and the Building Fund shall be invested at the written direction of the District, and after consultation with the County, in Permitted Investments. If at the time of issuance the District determines to issue some or all of the Bonds as Tax-Exempt Bonds without regard to the Internal Revenue Code "temporary period" restrictions, all investment of Bond proceeds shall be subject to paragraph (1) below; and the District, in consultation with the County, may provide for an agent to assist the District in investing funds pursuant to paragraph (1) below. If the District fails to direct such agent, the agent shall invest or cause the funds in the Building Fund to be invested in Qualified Permitted Investments, subject to the provisions of paragraph (1) below, until such time as the District provides written direction to invest such funds otherwise. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The interest earned on the moneys deposited to the Building Fund shall be applied as set forth in subparagraph (1)(C) below:

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Bonds deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments which are rated in at least the second highest rating category by one of the two Rating Agencies. Notwithstanding the preceding provisions of this Section, for purposes of this paragraph, amounts derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The County hereby covenants that it will record or cause the District to record with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The County hereby covenants that, with respect to each investment of proceeds of the Bonds in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing the District to record, the information set forth in paragraph (1)(B)(i) above, it will retain, or cause the District to retain, a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The County covenants that it will obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The County hereby covenants that it will retain, or cause the District to retain, the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with respect to the Bonds until three years following the last date that any obligation comprising the Bonds is retired.

(c) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund

Except as required below to satisfy the requirements of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or principal of and interest on the Bonds when due.

SECTION 12. Rebate Fund.

(a) The District shall create and establish a special fund designated the “Pasadena Unified School District 2008 Election General Obligation Bonds, Series 2012 Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

- (1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and
- (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 13. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund shall be used for the payment of the principal and Accreted Value of and interest on the Bonds when and as the same fall due.

SECTION 14. Arbitrage Covenant. The County acknowledges that the District has covenanted that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

SECTION 15. Conditions Precedent. Based in part on representations of the District, this County Board determines that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law.

SECTION 16. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal or Accreted Value, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 17. Defeasance. All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, an amount of cash which together with amounts transferred from the Debt Service Fund (as defined herein) is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, satisfactory to the County, together with interest to accrue thereon and moneys transferred from the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Paying Agent or an independent escrow agent selected by the District, and satisfactory to the County, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, "Government Obligations" shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or "prerefunded" municipal obligations rated in the highest rating category by Moody's Investors Service or Standard & Poor's. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying

United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's Investors Service.

SECTION 18. Amendments. (a) The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

(1) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond owners;

(2) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(3) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond owners.

In the event of any such amendment, the County shall promptly provide the District and the paying agent with copies of such amendment and the action of the County Board approving such amendment.

(b) Notwithstanding any other provision herein, the provisions of this Resolution as they relate to the terms of the Bonds may be amended by the Purchase Contract.

SECTION 19. Other Actions. Officers of the County Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 20. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section.

SECTION 21. Unclaimed Funds. Notwithstanding any other provisions of this Resolution, any moneys held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal, Conversion Value of Maturity Value of, redemption premium, if any, and interest on the Bonds remaining unclaimed for one year after such principal, Conversion Value

and Maturity Value of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bonds register, postage prepaid, no less than 90 days prior to the date of such payment. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

SECTION 22. Effective Date. This Resolution shall take effect immediately upon its passage.

The foregoing resolution was on the 15th day of May, 2012, adopted by the County Board and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said County Board so acts.

The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices stated in the Official Statement. The Underwriter agrees to provide reoffering price data

If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District’s expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary

to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Purchase Contract, the “End of the Underwriting Period” is used as defined in Rule 15c2-12 and shall occur on the later of (a) the date of Closing or (b) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District, the Underwriter and the County, the District may assume that the End of the Underwriting Period is the Closing Date.

6. **Closing.** At 9:00 a.m., California Time, on _____, 2012, or at such other time or on such other date as shall have been mutually agreed upon by the County and the Underwriter (the “Closing”), the County will deliver to the Underwriter, through the facilities of DTC, the Bonds in book-entry form, duly executed and registered as provided in paragraph 2 above, together with the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or accounts within the United States designated by the County.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter and the County that:

A. The District is a unified school district duly organized and validly existing under the laws of the State of California, with the full legal right, power and authority to (i) request the County to issue the Bonds pursuant to the Act; (ii) enter into, execute and deliver this Purchase Contract and the Continuing Disclosure Certificate appended to the Official Statement (the “Continuing Disclosure Certificate”); and (iii) adopt the District Resolution.

B. (i) The District has the legal right, power and authority to enter into this Purchase Contract, to adopt the District Resolution, to perform its obligations under each such document or instrument, and to cause the Bonds to be issued and delivered as contemplated by this Purchase Contract, the District Resolution and the Continuing Disclosure Certificate (collectively, the “District Documents”); (ii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds and the District Documents have been duly authorized; and (iii) the District Documents constitute valid and legally binding obligations of the District enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors’ rights.

C. Other than those already obtained, given, filed or made, no consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds, except for such actions which may qualify the Bonds for offer and sale under Blue Sky or other securities laws and regulations of such states and

jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the District Documents, and the compliance with the provisions thereof and hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

E. Other than as described in the Preliminary Official Statement, as of the time of acceptance hereof no action, suit, hearing or investigation is pending or, to the best knowledge of the District, threatened: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the Authorized District Representative, as defined in the District Resolution; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Bonds, or the collection of *ad valorem* taxes available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the District Resolution or contesting the powers of the District or its authority with respect to the Bonds, this Purchase Contract or the District Resolution; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Contract or the District Resolution, (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest from California personal income taxation.

F. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District nor the County in the name and on behalf of the District, will issue in the name and on behalf of the District, any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in the Official Statement.

G. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

H. With respect to any certificates by the District pursuant to Section 42131 of the Education Code of the State, the District has not received a qualified or negative certification from the County Superintendent of Schools.

I. Other than as described in the Preliminary Official Statement, the District is not in default with respect to any continuing disclosure obligation it may have incurred prior to the date hereof in connection with the delivery or issuance of any debt instruments, bonds, notes or lease-purchase obligations.

J. The District will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request in order to qualify the Bonds for offering and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and to continue such qualifications in effect so long as may be required for the distribution of the Bonds (provided, however, that the District will not be required to qualify as a foreign corporation or to file any general or special consent to service of process under the laws of any jurisdiction).

K. The Preliminary Official Statement did not, and the Official Statement will not, as of its date (excluding therefrom information relating to The Depository Trust Company and information provided by the Underwriter) contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended, at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

L. The financial statements of, and other financial information regarding the District, in the Official Statement fairly present the financial position and results of the District as of the dates and for the periods therein set forth. Since the date of the Preliminary Official Statement, there has been no adverse change of a material nature in such financial position, results of operation or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

8. **Representations, Warranties and Covenants of the County.** The County represents, warrants and covenants to the Underwriter that:

A. The County has the power under the Constitution and laws of the State to issue the Bonds in the name and on behalf of the District.

B. (i) The County has full legal right, power and authority to enter into this Purchase Contract, to adopt the County Resolution, to issue and deliver the Bonds to the Underwriter on behalf of the District and to perform its obligations under

each such document or instrument; (ii) the execution and delivery or adoption of, and the performance by the County of its obligations contained in the Bonds, the County Resolution and this Purchase Contract have been duly authorized; and (iii) this Purchase Contract constitutes a valid and legally binding obligation of the County, enforceable against the County in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors' rights.

C. To the best knowledge of the County, as of the time of acceptance hereof, no action, suit, hearing or investigation is pending in which service of process has been completed on the County or, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the officers of the County enumerated in Section 17 of the County Resolution; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, this Purchase Contract or the County Resolution; or (iii) in which a final adverse decision would declare this Purchase Contract to be invalid or unenforceable in whole or in material part.

D. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not issue in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in the Official Statement.

E. Any certificates signed by an authorized officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. **Conditions to Closing.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the District and the County contained herein and the performance by the District and the County of their respective obligations hereunder and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the date of Closing. The County and the District have entered into this Purchase Contract in reliance upon the representations and warranties of the Underwriter contained herein and the performance by the Underwriter of its obligations hereunder and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the date of Closing. Accordingly, the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds are and shall be conditioned upon the performance by the District and the County, respectively, of their obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject at the option of the Underwriter, to the following further conditions, including the delivery by the District and the County of such documents and instruments as are enumerated below, in form and substance satisfactory to the Underwriter. The obligations on the part of the District and the County to

deliver the Bonds and the various documents, instruments, certificates and opinions described below are conditioned upon the performance by the Underwriter of its obligations to be performed hereunder and under such documents, instruments and certificates as the Underwriter is required to deliver at or prior to Closing, as enumerated below.

A. The representations and warranties of the District and the County contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the District and the County shall be in compliance with each of the agreements made by them, individually, in this Purchase Contract;

B. At the time of the Closing, (i) this Purchase Contract and the Resolutions shall be in full force and effect and each of said documents together with the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter (which writing may be by email, telecopy or other electronic means); (ii) all actions under the Act which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the District shall perform or have performed all of its obligations required under or specified in the Resolutions or this Purchase Contract to be performed at or prior to the Closing;

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, be pending or threatened, which has any of the effects described in Section 7.E hereof, or contesting in any way the completeness or accuracy of the Official Statement;

D. Between the date hereof and the Closing, the market price for the Bonds, or the market for or marketability of the Bonds at the initial offering prices set forth in the Official Statement, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall not have been materially adversely affected in the reasonable professional judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or passed by either House of the Congress, or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of the State of California (the "State"), or introduced in the Congress or recommended for passage by the President of the United States, or a decision

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or new engagement in or material escalation of major military hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis interfering with the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or general fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue of a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, underwriters such as, and including, the Underwriter;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby, is or would be in violation of the Federal securities laws, as amended and then in effect;

(6) there shall have occurred or any notice shall have been given of any downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service of any of the District's outstanding indebtedness;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any material statement or information set forth in the Official Statement, including, but not limited to, any materially adverse change in the affairs or financial condition of the District or results in an omission to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(8) any state Blue Sky or securities commission, or other governmental agency or body, shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto;

(9) any amendment shall have been made to the federal or State Constitution or action by any federal or State court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the District, its property, income securities (or interest thereon) or the validity or enforceability of the levy of taxes to pay principal of and interest on the Bonds; or

(10) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

E. At or prior to the date of the Closing, the Underwriter shall receive an original of each of the following documents, in each case dated as of the Closing Date (unless otherwise noted below) and satisfactory in form and substance to the Underwriter:

Re: \$_____ Pasadena Unified School District (County of Los Angeles,
 California) 2008 Election General Obligation Bonds, Series 2012

Ladies and Gentlemen:

This opinion is rendered and delivered in connection with the issuance by the Board of Supervisors of the County of Los Angeles (the “County”) on behalf of the Pasadena Unified School District (the “District”) of \$_____ aggregate principal amount of bonds designated “Pasadena Unified School District 2008 Election General Obligation Bonds, Series 2012” (the “Bonds”). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County of Los Angeles, California adopted _____, 2012 (the “County Resolution”), at the request of the District made pursuant to a resolution adopted _____, 2012, by the District (the “District Resolution”).

In rendering this opinion, we have examined the County Resolution, the Purchase Contract, dated _____, 2012 (the “Purchase Contract”), by and among the District, the County and RBC Capital Markets LLC, as underwriter, and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the “State”), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and validly existing under the Constitution and the laws of the State of California;

2. The County Resolution approving and authorizing the execution, sale and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the Board of Supervisors of the County, which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof;

3. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public agency or body pending, in which service of process has been completed against the County, or to the best knowledge of County Counsel, threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds; and

4. NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE PASADENA UNIFIED SCHOOL DISTRICT AS FOLLOWS:

SECTION 1. Purpose; Authorization. That for the purpose of raising money for the purposes authorized by voters of the District at the Election, and to pay all necessary legal, financial and contingent costs in connection with the issuance of the Bonds, this Board hereby petitions the County Board to authorize the issuance of the Bonds pursuant to the Act and to order such Bonds sold at a negotiated sale such that the Bonds shall be dated as of a date to be determined by said County Board, shall bear interest at a rate not-to-exceed that authorized at the Election, shall be payable upon such terms and provisions as shall be set forth in the Bonds and shall be in an aggregate principal amount not-to-exceed \$125,000,000. The Board hereby approves the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for RBC Capital Markets, LLC (the "Underwriter") to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Board estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and, will equal 0.55% of the principal amount of the Bonds.

This Board hereby authorizes the issuance of the Bonds as any combination of current interest bonds, capital appreciation bonds, and convertible capital appreciation bonds as set forth in the fully-executed Purchase Contract (defined herein), subject to the provisions of a resolution of the County Board relating to the Bonds (the "County Resolution").

SECTION 2. Paying Agent. This Board does hereby authorize the appointment of the Treasurer and Tax Collector of the County of Los Angeles as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution. The District acknowledges that ongoing expenses and fees of the Paying Agent and all other fees and costs incurred in connection with the Bonds will be paid by the District.

SECTION 3. Tax Covenants.

(a) With respect to Bonds issued as tax-exempt bonds, the District hereby covenants with the holders of such Bonds that, notwithstanding any other provisions of this Resolution, it will (1) comply with all of the provisions of the County Resolution relating to the Rebate Fund (as defined therein) and perform all acts necessary to be performed by the District in connection therewith, and (2) make no use of the proceeds of the Bonds or of any other amounts, regardless of the source, or of any property or take any action, or refrain from taking any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

The District will not make any use of the proceeds of the Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1986, as amended, to the extent such requirements are, at the time, applicable and in effect.

The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Bonds. In furtherance of the foregoing tax covenants of this Section 3(a), the District covenants that it will comply with the instructions and requirements of that certain Tax Certificate to be executed and delivered by the District on the date of issuance of such tax-exempt Bonds, which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of the Bonds.

SECTION 4. Legislative Determinations. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 5. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Clerk of the Board, is hereby approved and the Superintendent of the District (the "Superintendent"), the Chief Finance Officer of the District (the "Chief Finance Officer"), or a designated deputy thereof (collectively, the "Authorized Officers"), each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter, a final Official Statement substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and is directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

SECTION 6. Purchase Contract. The form of the purchase contract for the Bonds (the "Purchase Contract") on file with the Clerk of the Board is hereby approved. In connection with the sale of the Bonds, the Board authorizes the Authorized Officers, each alone, on behalf of the District, to execute and deliver to the Underwriter a Purchase Contract for the Bonds, with such terms and conditions as may be acceptable to such official; provided, however, that the interest rate on the

Bonds shall not exceed that authorized at the Election, the underwriting discount (excluding original discount) shall not exceed 0.325% of the aggregate principal amount of the Bonds issued, and the aggregate principal amount of the Bonds shall not exceed \$125,000,000.

SECTION 7. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

SECTION 8. Authorized Actions. Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

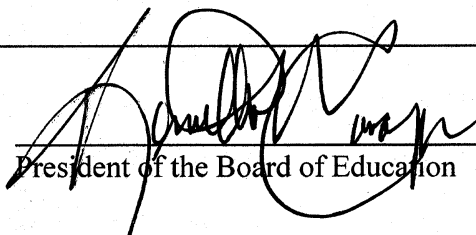

SECTION 9. Professional Services. The District hereby appoints Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California as Bond Counsel and Disclosure Counsel in connection with the issuance of the Bonds. The District hereby appoints RBC Capital Markets, LLC, Los Angeles, California as Underwriter in connection with the issuance of the Bonds.

SECTION 10. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

Topic: APPROVAL OF RESOLUTION 2197 OF THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES, CALIFORNIA, AUTHORIZING THE ISSUANCE AND SALE OF THE PASADENA UNIFIED SCHOOL DISTRICT 2008 ELECTION GENERAL OBLIGATION BOND, SERIES 2012, IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$125,000,000.

RECOMMENDATION: The Board of Education approve Resolution 2197.

District Priority/Strategy: Accountability: Collaborative planning process at the District level to align services, human resources and financial resources to support achievement and instruction goals.

I. BACKGROUND:

As the Governing Board is aware, the voters of the District passed Measure TT, a \$350 million Proposition 39 General Obligation Bond on November 4, 2008. On September 17, 2009, the District issued the first series of \$125 million in bonds. About \$75 million in work has been done, including architectural design, new construction and modernization. The District is ready to issue its next \$125 million in bonds.

II. STAFF ANALYSIS:

Attached is the Authorizing Resolution to issue a maximum of \$125 million in General Obligation Bonds, Series B, in accordance with the timeline set forth in Measure TT. At this point, the Preliminary Official Statement will be brought to a Governing Board Meeting in May. The bonds are scheduled to be sold in late June 2012 or early July 2012, with the proceeds to be received by the District in soon after the sales. The tax rate will continue to be below \$45 per \$100,000 of assessed value for real property in the District.

III. FISCAL IMPACT:

The attached resolution satisfies the requirements for the Pasadena Unified School District's to issue a maximum of \$125 million in General Obligation Bonds. There is no cost to the District for this action. This action will allow the process of issuing bonds in a timely manner to fund the construction projects outlined by Measure TT.
